2. Reason for modifications

It is the Company's basic profit distribution policy to determine the level of direct profit returns to our shareholders by evaluating profit levels in each fiscal period. Annual dividend per share will be established at the higher of the amount calculated by dividing 33% of consolidated operating income by the total number of outstanding shares, excluding treasury stock, as of the end of the fiscal year rounded up to the 10 yen digit, or the amount calculated based on the 50% consolidated net income standard rounded up to the 10 yen digit.

Based on this policy, in accordance with the report "Consolidated Financial Statements" released today, the dividend will be established at the amount calculated by dividing 33% of consolidated operating income rounded up to the 10 yen digit. As a result, the annual dividend per share for the fiscal year ended March 31, 2010 is going to be 930 yen (End of 2nd quarter: 270 yen, Year-end: 660 yen).
