The Story of Super Mario Bros.2

One evening, Mario had a strange dream. He dreamt of a long, long stairway leading up to a door. As soon as the door opened, he was confronted with a world he had never seen before spreading out as far as his eyes could see. When he strained his ears to listen, he heard a faint voice saying "Welcome to ‘Subcon’, the land of dreams. We have been cursed by Wart and we are completely under his evil spell. We have been awaiting your arrival. Please defeat Wart and return Subcon to its natural state. The curse Wart has put on you in the real world will not have any effect upon you here. Remember, Wart hates vegetables. Please help us!” At the same time this was heard, a bolt of lightning flashed before Mario’s eyes. Stunned, Mario lost his footing and tumbled upside down. He awoke with a start to find himself sitting up in his bed. To clear his head, Mario talked to Luigi, Toad and Princess about the strange dream he had. They decide to go to a nearby
mountain for a picnic. After arriving at the picnic area and looking at the scenery, they see a small cave nearby. When they enter this cave, to their great surprise, there's a stairway leading up, up and up. It is exactly like the one Mario saw in his dream. They all walk together up the stairs and at the top, find a door just like the one in Mario's dream. When Mario and his friends, in fear, open the door, to their surprise, the world that he saw in his dream spreads out before them!....

- **Luigi**
  He can jump the highest and can go much farther but he jumps slowly. When he has an item, his power decreases more than Mario.

• **Princess Toadstool**
She is No. 3 in jumping power. When you hold down the A button, she can float in the air for about 1.5 sec. Her jumping power decreases quite a bit when she is carrying an item.

• You lose a life if you fall down.
There are holes and waterfalls. You will lose a life if you carelessly fall into one of these. Be careful not to fall when you jump or lose your footing. Also, do not fall when up high in the sky.

• You become smaller when the life meter reads 1 mark. Be careful.
