Reasons for modifications

Based on the sales performance for the six months ended September 30, 2017 and after, the Company modifies its financial forecast in consideration of the revised sales prospects as well as the revised assumed exchange rate. The assumed exchange rate after the second quarter and at the end of the fiscal year has been revised from 115 yen to 125 yen per euro. The assumed exchange rate for U.S. dollar remains unchanged at 105 yen per U.S. dollar.

[Notes]

Forecasts announced by the Company referred to above were prepared based on management's assumptions with information available at this time and therefore involve known and unknown risks and uncertainties. Please note such risks and uncertainties may cause the actual results to be materially different from the forecasts (earnings forecast and other forecasts).

In addition, the number of outstanding shares used for calculating "Profit per share" is the estimated average number of outstanding shares for each applicable period.
